

SALEM POLICE DEPARTMENT NEWS RELEASE

For Immediate Release – November 11, 2008

SALEM POLICE DEPARTMENT ANNOUNCES NEW CHILD SAFETY SEAT POLICY

In an effort to better serve families in Salem who have young children, the Salem Police Department has announced designated times that officers will help with the proper installation of child safety seats.

“This is a very important part of the many services we extend to our citizens,” says Police Chief James Bryant. “In a time when many localities are eliminating this service, we think it is important to enhance it.”

The Salem Police Department not only will install child safety seats, but also check those already in place in vehicles each Wednesday from 11am to 2pm and on Saturdays from 10am to 1pm.

The new and improved hours will take effect on Wednesday, November 19th and those citizens wishing to take advantage of the service need only arrive at the Police Department during the designated times and ask for an officer’s assistance.

The Salem Police Department is located on 36 East Calhoun St.
